

O God, Hear Me

[Psalm 63:1-8]

Words and music by
James L. Clark

Tune: Glorify
C.M.D

1. O God, hear me, you are my God, Whom I will glorify,

2. O God, hear me, you are my God, Yea, my soul thirsts for you,

For in this land that I have trod You did not let me die;

While shadowed by your wings, O God, I sing my praise to you;

Through - out this dry and weary land I saw your glory bright,

Because your love is more than life my soul is satisfied,

I felt the power of your right hand All through the darkest night.

And as you help me face my strife I know you will provide.
